Interest and Payment	
Earns Interest	<p>Yes - This product has a variable interest rate</p> <p>Your interest rate and annual percentage yield (APY) may change at our discretion at any time. The APY assumes that interest paid remains in the account. A withdrawal will reduce earnings. We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the collected balance in your account each day.</p> <p>Interest compounds daily and will be credited to your account monthly. If you close your account before interest is credited, you will not receive accrued interest. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash (checks).</p> <p>See the Vectra Bank Deposit Products Rate Sheet for details.</p>

How Deposits and Withdrawals Work	
Deposit Funds Availability <i>(When funds deposited to your account are generally available)</i>	<p>Cash deposited: Next business day</p> <p>Check deposited: Next business day generally, unless a hold is placed</p> <p>Direct Deposit and Wire Transfer: Same business day</p> <p>If a hold is placed on a check deposit, the first \$200 of a deposit of checks subject to a hold will generally be made available the first business day after deposit. We will give you an indication of when the remaining funds will become available. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. The end of a business day varies by banking center.</p>
Deposit and Withdrawal Posting Order	<p>Transactions are generally posted each business day following the close of business in the following order:</p> <p>First: Credit (deposit) transactions such as deposits by cash or check, ATM deposits, direct deposits, wire transfer deposits, and corrections to your account balance.</p> <p>Second: Debit (withdrawal) transactions received the same business day. We divide debit transactions into transaction-type groups and order transactions within each group chronologically (other than checks, which are sorted by serial number). We then post the transactions in sequence by group type and order. For group types and sequence, other exceptions and details, see your Deposit Account Agreement.</p>
